RECEIVED COMMISSION

Edward S. Long Now Deputy Collector For Nine Counties.

IN OWENSBORO TODAY.

Will Have Headquarters at Henderson and Begin Duties Next Monday.

Everybody is always glad when a government plum drops this way, no matter if it be off a Republican tree. The latest is the appointment of Mr. Edward Stanley Long as Deputy Internal Revenue Collector under E. T. Franks, of Owensboro. He received his commission a few days since, and went to Owensboro to receive his final instructions. Mr. Long will make his headquarters at Henderson, and will open up his office and enter upon his duties next Monday. His division embraces nine counties--Henderson, Union, Caldwell, Crittenden, Webster, Hopkins, Trigg, Lyon and Christian. Mr. Long succeeds Mr. William Jones, resigned.

It has been expected for some time by the friends of Mr. Long that he would be appointed to the position, and they, with everybody who knows him, will rejoice to learn that all doubt is done away with and "Stanley" has been commissioned.

Mr. Long is the eldest son of Mr. E. B. Long, President of the City Bank. No more worthy young man of our city could have been selected for the important position. He was admitted to the local bar several years ago and was fast coming to the front among the younger attorneys of the city. He has all the elements that go to make up useful and noble young manhood. Strictly moral, attentive to business, highly intelligent and possessed of a fine education, we predict an unstained record and a highly satisfactory discharge of the duties of the trust that has been reposed in him. He has always been a staunch supporter of the party which has recognized his true worth.

He was the nominee of the Republican party at the last election to represent this county in the Legislature. He made a splendid canvass and was defeated by the Democratic nominee by only 25 votes. Mr. Long is unmarried, and is now in his 30th year.

Without regard to party affiliation our citizens will all unite with us in extending congratulations and wishing for the young revenue officer every good thing that may come to one of his position.

SUDDENLY STRICKEN

And it is Feared the Attack Will Prove Fatal.

Dr. Henry Garton, of Cadiz, was yesterday attacked with something similar to vertigo, and fell to the floor in an unconscious condition. Owing to his advanced age, about 75 years, it is feared he cannot recover. Dr. Garton is a member of H. M. Garton & Son, at Cadiz, and is one of the most prominent citizens of Cadiz.

Resigned Position.

Mr. S. J. Adcock, who has been with Metcalfe's Steam Laundry for a long time, has resigned and accepted a position with the Acme Mills & Elevator Co. He will have charge of the elevator and will begin work next Monday. Mr. Adcock is an industrious and efficient man and will discharge his duties faithfully.

Nineteen Prisoners.

Jailer Johnson now has nineteen prisoners. Two are white and the balance are negroes.

CENTRAL TAKES LONG DISTANCE

Purchasing Company Gives Two Shares For One.

HOPTOWN INCLUDED.

Plan on Foot to Absorb Louisville and Lexington Also.

At a meeting of representatives of the Central Home Telephone Company and of the directors of the Independent Long Distance Telephone Company, held at Louisville, a majority of the stock in the long-distance company was signed over to the Central company, the basis of exchange being two shares of Central stock for one share of long-distance. The Central Home Telephone interests were represented by E. L. Barber. Mr. Barber had been in Louisville for several weeks arranging the terms of the transfer. At the conclusion of the negotiations yesterday a circular was authorized to notify all other stockholders that they would take until midnight of July 9 to accept the plan of merger. The merger of the Independent Long Distance with the Central Home is a step to take over the Louisville Home Telephone Company also. The Central Home has already taken over the Independent relays at Paducah, Henderson, Owensboro, Hopkinsville, Paris, Cynthiana, in Kentucky, and the Vincennes, Bedford and other relays in Indiana on a favorable basis of transfer.

The Home Telephone companies of Louisville and Lexington are the next exchanges for which negotiations will soon be begun, giving the Home Telephone Company practically a complete system of telephones in Indiana and Kentucky, with connections extending as far east as Pittsburgh, as far west as St. Louis and as far south as Birmingham.

A director of the Independent Long Distance Telephone Company said that the merger of this company with the Central Company was one of the most important deals that had taken place since the organization of the Central Home Telephone Company, and if the other deals now under consideration and in progress could be carried through successfully, the independent company would thereby attain an estimable position in this section of country, and would become a most formidable competitor of the Bell interest.

HOPKINSVILLE BOY

Singing His Way to Fame in Europe.

Hugh W. Martin, a former Hopkinsville boy, a son of Theo. F. Martin, is winning in Europe fame and fortune with his voice. Recently in Italian capitals he has achieved remarkable triumphs, and now has important engagements in Russia. Early in May he visited his mother in New York, and, by invitation, gave a private recital at the Metropolitan opera-house before Impresario Heinrich Conradi and thirty men interested in Grand Opera. He was promptly offered \$7,000 for a limited engagement in the fall, but declined, as engagements abroad claimed him. He sailed May 23 for Milan, called back by a cablegram from his manager to arrange his Russian contracts.

Mr. Martin, who is still under thirty years of age, has lived for ten years in Paris, where he studied with the Italian Sbriglia and Jean de Reszke. His debut was made just one year ago in Verona.

Postmaster Very Ill.

Mr. James Lester, postmaster at Cadiz, is ill of flux and his recovery is very doubtful.
